Cleaning and Restoration Services...

...for your home

Rainbow International offers a wide range of services to care for the carpets, upholstery and soft furnishings in your home.

Our service is professional, reliable and flexible. The results are effective and safe – your furnishings will be clean, bright, soft and fresh – just like they were when you bought them.

A guide to our range of services can be found opposite. For further information and a free, no obligation estimate, simply call your local Rainbow International branch (details on the back of this leaflet) or the 24 Hour National Helpline on... **01623 422488**.

...for your business

As well as health and hygiene considerations, keeping your premises and property clean and well maintained promotes a positive image to staff, visitors and customers. Regular, professional cleaning prolongs the life of your furnishings, saving you the costly expense of replacement.

Rainbow International offers a comprehensive portfolio of cleaning, maintenance and restoration services. These can be tailored to suit the requirements of all types of businesses and organisations.

A guide to our range of services can be found opposite. We will be pleased to visit your premises to discuss your requirements and provide a free, no obligation estimate. Simply call your local Rainbow International branch (details on the back of this leaflet) or the 24 Hour National Helpline on...**01623 422488**.
